King County Metro VanPool and VanShare Commuter Van Use of Transit Facilities and Roadways

Commuter Vans may...

- Use bus zones outside the Seattle CBD to load and unload passengers.
- Use all flyer stops to load and unload passengers with the exception of Evergreen Point and Montlake.
- Use all HOV lanes to travel.
- Use exits and ramps marked "Transit Only".
- Use City of Seattle's Business Access and Transit (BAT) Lanes during the restricted transit and bicycle-only periods if using a ten-passenger or larger vehicle and carrying members of the commute group.
- Not use lanes, exits, or ramps marked "Bus Only".
- Not travel the "Bus Only" roadways within park and ride lots or transit centers.
- Not load or unload passengers at bus loading and unloading platforms or areas designated for this at transit centers or park and ride lots. Drivers are encouraged to use areas away from bus traffic, preferably in a distant corner of the lot.
